CANADIAN LIBERALS WIN.

MR. LAURIER SCORES A TREMENDOUS VICTORY.

His Party Elects a Clear Majority of 25 in the New House of Commons Over Sir Charles Tupper's Conservatives—Mantoba's School Question the Main Issue.

Toronto, Ont., June 23.—The Liberal party in Canada won a great victory today in the Dominion general elections. After four successive defeats since 1878 by the Conservative Government of the late Sir John A. Macdonald, they defeated the Conservative party under the Premiership of Sir Charles Tupper, the late High Commissioner from Canada in England, by an overwhelming majority.

The great issue that turned the vote in the Roman Catholic province of Quebec was the proposal of the Conservative Government to force Roman Catholic schools on the province of Manitoba. In spite of the positive command of the Roman Catholic Bishop in Quebec to vote for the Conservative candidates, the province went strongly against the Government.

The province of Ontario defeated many Government candidates who endorsed the Roman Catholic school policy for Manitoba, and in addition to this there was great opposition to the Liberal policy of the Government.

CLEVELAND NOT A CANDIDATE.

Attorney-General Harmon in an Interview in Cincinnati Says He Is Not.

CINCINNATI, June 23.—Attorney-General Harmon, who has been at his home here for two days, returned to Washington to-night. Just before leaving for the capital Judge Harmon said in an interview: "When asked if President Cleveland would run for another term he said: 'Most assuredly not. There never was a time, I believe, since his present term as President began, that he had the slightest idea of being a candidate again. I am confident that under no circumstances would he accept a re-nomination.'"

"Who will the Democrats nominate?" "I have not the slightest idea," he answered. "What chance has the silver men?" "Not much, I think."

"What about Roosevelt?" "In my opinion Roosevelt would not, under the circumstances, be the most desirable man. Americans would prefer for President a man more thoroughly identified with the country as a resident, and he has spent a good deal of his time abroad."

UNITED FOR SOUND MONEY.

DEMOCRATS AT SARATOGA TO MAKE AN IRREVOCABLE DECLARATION.

Senator Hill to Head the Resolutions Committee—Thacker for Permanent Chairman—Hill, Murphy, Flower, and Probably Condit for Delegates at Large—Sherard, Although Kicked Out, Presently Declares His Loyalty to the Party and the Cause of Good Money—District Delegates to Attend the Convention from New York and Kansas—Farrington Who Lost the Tammany Ticket—Suspected Cleveland Man—Farrington Deputed for Delegate in the Ninth Congress District, Likely to Win in Another

SARATOGA, June 23.—No effort will be made to alter the program of the day preceding the Democratic State Convention which is to declare for sound money and to elect delegates at large to the Democratic National Convention in Chicago on July 7. A plain, straightforward story of the incidents and the political logic of their will be told, and the Democratic readers of THE SUN will follow the lead.

The Hon. William Collins Whitney after breakfasting with Senator Hill and Chairman Hinkley at the Senator's home at Wolfert's Roost, in Albany, came to Saratoga in the morning. Senator Hill followed him. The latter was not alone. He was accompanied by a number of friends. The Senator and Mr. Hill had quarreled over the construction of the money plank to be adopted by this Convention. Both smiled when the report was submitted to them for verification. The Senator said that he was not a Democrat, but that he was a supporter of the Democratic party. He said that he was not a Democrat, but that he was a supporter of the Democratic party.
